

Betashares Global Sustainability Leaders ETF

ASX: ETHI

30 April 2024

Objective

ETHI provides 'true to label' ethically screened exposure to global shares. It aims to track the performance of an index (before fees and expenses) that includes a portfolio of large global stocks identified as "Climate Leaders" that have also passed screens to exclude companies with direct or significant exposure to fossil fuels or engaged in activities deemed inconsistent with responsible investment considerations.

Benefits

Align your investments with your values

Invest in a way that is consistent with your ethical standards.

True-to-label

ETHI combines positive climate leadership screens with a broad set of ESG criteria, offering investors a true-to-label ethical investment solution.

Diversified global exposure

ETHI holds a diversified portfolio of large, sustainable, ethical companies from a range of global locations.
