Objective

HACK aims to track the performance of an index (before fees and expenses) that provides exposure to the leading companies in the global cybersecurity sector.

Benefits

Invest in a fast-growing global sector

With cybercrime on the rise, the demand for cybersecurity services is expected to grow strongly for the foreseeable future.

Convenient, cost-effective access

In one trade, get diversified, cost-effective exposure to global cybersecurity companies, a sector that is heavily under-represented on the ASX.

Current and future industry leaders

HACK's portfolio includes global cybersecurity giants, as well as emerging players, from a range of global locations.
