## Objective

QRE aims to track the performance an index (before fees and expenses) comprising the largest ASX-listed companies in the resources sector, including BHP, Rio Tinto, Woodside Petroleum and more.

## Benefits

### Diversified exposure to resources

In one trade, invest in Australia's biggest resources companies, including BHP, Rio Tinto, Woodside Petroleum and more.

### Leverage to growth in emerging markets

The Australian resources sector is well-positioned to benefit from growth in developing economies such as China and India.

### Tactical exposure

QRE provides a simple, cost-effective way of taking an investment position in the Australian resources sector.
