Risk management position (short ASX SPI 200 Futures exposure) as % of Fund NAV -38%

Generally, only authorised participants (i.e. persons who have entered into an authorised participant agreement with BetaShares) may apply to create and redeem units in the Fund directly with BetaShares.

The basket of securities to be delivered by (or to) an authorised participant on a creation (or redemption) will comprise the securities listed above, in the same proportions as above, equivalent in value to the value of units acquired or redeemed (plus or minus a cash balancing component).
