Source: Bloomberg, ASX, BetaShares. Data as at 31st August 2023. Performance shown is total return and assumes the reinvestment of distributions. Performance for periods longer than 1 year is annualised. Past performance is not an indication of future performance. You should make your own assessment of the suitability of this information. No assurance is given regarding the future performance of the Funds or the payment of any distributions. Yield figures are calculated by summing the prior 12 month net and gross fund per unit distributions divided by the fund closing NAV per unit.
