

ASX: CFLO

Harness the power of cash flow

Betashares Global Cash Flow Kings ETF (ASX: CFLO) provides exposure to a portfolio of global companies that demonstrate strong free cash flow.

OUTPERFORMANCE POTENTIAL

Companies that generate high levels of free cash flow historically have tended to outperform broad global equity benchmarks over the medium to long term.

INTELLIGENT EXPOSURE

CFLO's index methodology targets global companies that demonstrate strong and consistent free cash flow generation, growth of free cash flow, and relatively low levels of debt.

CORE GLOBAL EQUITY ALLOCATION

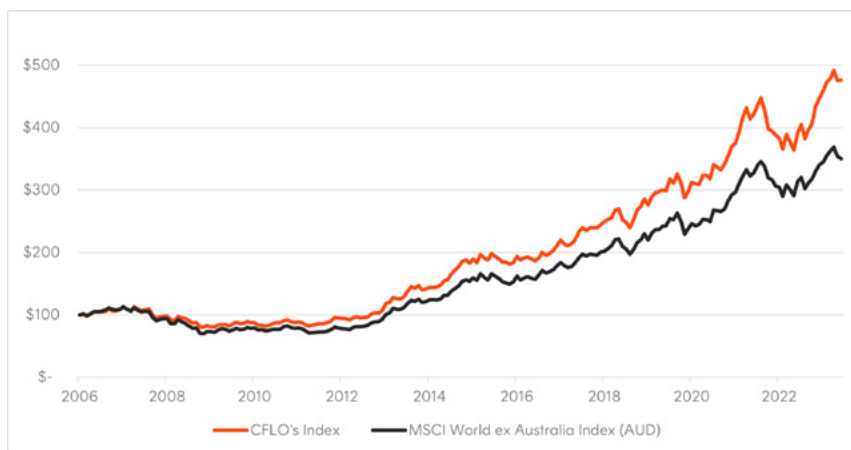

The Fund offers diversified exposure to 200 global companies with similar sector and country weights to broad global equity benchmarks.

COST-EFFECTIVE

Management costs of only 0.40% p.a. (or \$40 for every \$10,000 invested)¹.

Performance: CFLO's Index vs broad global shares May 2006 – 31 October 2023

Source: Bloomberg. CFLO's inception date is 14 November 2023. Chart shows performance of the index, being the Solactive Global ex-Australia Cash Flow Kings Index, and not actual fund performance, after deducting CFLO's management costs of 0.40% p.a. to illustrate the longer-term historical performance of global companies that demonstrate strong free cash flow. Past performance is not an indicator of future performance of the index or CFLO. You cannot invest directly in an index.

How to use CFLO in a portfolio:

- As a core global equity allocation
- As a complement to existing low-cost, passive global equity exposures
- As a lower-cost replacement or complement to active global equity exposure
