

ASX: NDQ

Own the future in a single ASX trade

The Betashares Nasdaq 100 ETF (ASX: NDQ) provides access to many of the world's most innovative and revolutionary companies, including Amazon, Facebook, Google, Netflix and Zoom.

ACCESS THE 'NEW' ECONOMY

NDQ's portfolio contains the top 100 companies listed on the Nasdaq stock market, which includes companies that continue to revolutionise our lives including Amazon, Facebook, Google, Netflix, Tesla and Zoom.

INTERNATIONAL DIVERSIFICATION

In a single ASX trade, add 100 leading global companies to your investment portfolio.

COST-EFFECTIVE

With management fees of only 0.48% p.a.¹ (or \$48 for every \$10,000 invested), NDQ is a cost-effective investment solution.

COMPLETE YOUR PORTFOLIO

NDQ provides access to sectors that are under-represented in the Australian sharemarket. This may particularly benefit Australian investors, who often have a large allocation to Financials and Mining companies and little exposure to Technology.
