ASX: NDQ

BetaShares
NASDAQ 100 ETF

Own the future in a single ASX trade.

NDQ provides access to many of the world's most innovative and revolutionary companies, including Amazon, Facebook, Google and Netflix.

ACCESS THE 'NEW' ECONOMY

NDQ's portfolio contains the top 100 companies listed on the Nasdaq stock market, which includes companies that continue to revolutionise our lives including Amazon, Facebook, Google, Netflix and Tesla.

INTERNATIONAL DIVERSIFICATION

In a single ASX trade, add 100 leading global companies to your investment portfolio.

SIMPLE, LOW COST INVESTING

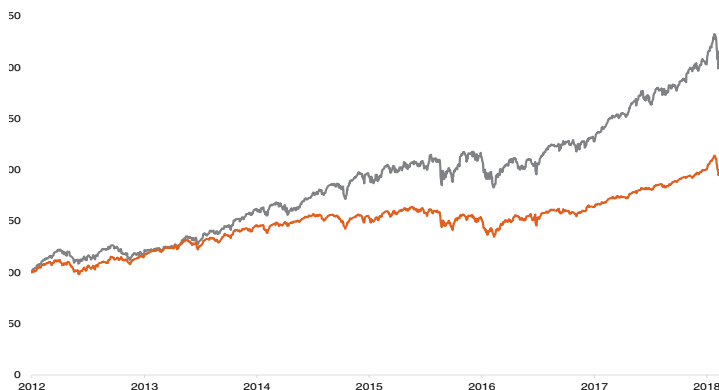

With management fees of only 0.48% p.a. (or \$48 for every \$10,000 invested), NDQ is a low-cost investment solution.

COMPLETE YOUR PORTFOLIO

NDQ provides access to sectors that are under-represented in the Australian sharemarket. This may particularly benefit Australian investors, who often have a large allocation to Financials and Mining companies and little exposure to Technology.
