Louis is responsible for the Portfolio Management function at Betashares and is also a member of the Betashares Asset Allocation and Managed Accounts Services Investment Committee.

He has been with Betashares since 2009 and has been involved in the launch of all of the firms' Exchange Traded Funds. Before joining Betashares, Louis held positions at nab Invest, the direct management business of National Australia Bank, Rand Merchant Bank (RMB), and KPMG Inc in various locations including London, Johannesburg, and Sydney.

He holds a professional qualification as a Chartered Accountant (CA (SA)) and is also a CFA Charterholder. He has a Bachelor of Business Science (First Class Hons) and Post Graduate Diploma in Accounting from the University of Cape Town, South Africa.
