

Betashares Australian Sustainability Leaders Portfolio

31 January 2024

Investment Objective

The Betashares Australian Sustainability Leaders Portfolio provides 'true-to-label' ethically screened exposure to Australian shares. It holds a portfolio of approximately 35 companies that have passed screens to exclude companies with direct or significant exposure to fossil fuels or engaged in activities deemed inconsistent with responsible investment considerations. The portfolio aims to approximate the return of the Nasdaq Future Australian Sustainability Leaders Index.

Portfolio Performance

Period	1 mth	3 mth	6 mth	1 yr	3 yr (p.a.)	5 yr (p.a.)	Inception (p.a.)

Source: Betashares, Bloomberg. Portfolio returns are calculated by reference to the portfolio's value at the start and end of the specified period, assume reinvestment of any distributions back into the portfolio, and do not take into account tax paid as an investor. Returns are after management costs incurred, but do not reflect the transaction costs (e.g. brokerage) that investors incur when implementing their portfolios. Past performance is not an indicator of future performance.

Yield and Portfolio Characteristics

YIELD (% P.A.)¹ 2.82%

GROSS YIELD (% P.A.)¹ 3.11%

¹ Yield calculated by summing the prior 12 month net and gross fund per unit distributions, pro-rated for model weight, divided by model closing value at quarter end. Past performance is not an indicator of future performance.

About Betashares

Betashares is a leading Australian manager of exchange traded funds (ETFs) and other exchange traded products, which trade on the Australian Securities Exchange (ASX). Betashares' aim is to create intelligent investment solutions that broaden the investment possibilities for Australian investors and their advisers.

As an Australian born and managed firm, Betashares thinks deeply about factors affecting Australian investors and builds products specifically for Australian clients. Betashares' local focus has allowed the team to build the largest and most innovative suite of exchange traded products in Australia.

About Betashares Australian Sustainability Leaders Portfolio

The portfolio will be suitable for investors who seek an Australian equities allocation or a tactical exposure to Australian equities, which provides transparency and diversification benefits in addition to being consistent with ethical and sustainability objectives.

The portfolio will be constructed as a subset of the Nasdaq Future Australian Sustainability Leaders Index and include the largest companies by free float market capitalisation within each industry. The portfolio's return may deviate from the Index when larger companies in the index outperform or underperform smaller companies within the Index.
