

Life Events Cover form - Application to increase insurance cover

Use this form to apply for Life Events Cover to increase your existing cover in the event of certain circumstances.

Life Events

You can increase your existing cover upon the occurrence of any of the following 'Life Events':

- your marriage; or
- the birth of your child; or
- the adoption of a child by you; or
- your dependent child starts secondary school; or
- your divorce; or
- you take out a mortgage to purchase your primary place of residence (either alone or jointly with another person); or
- you increase your existing mortgage for renovating your primary place of residence.

You can **also** increase your existing Income Protection Cover if you have had a recent salary increase.

You may apply for an increase of your cover due to a Life Event or salary increase occurring only once in any 12 month period.

To assist you in completing this application you will need to refer to the current Bendigo SmartStart Super Insurance Guide (Guide) which is available on our website at www.betashares.com.au/super/documents.

Italicised terms in this form have the same meaning as the terms defined in the Glossary of terms contained in the Guide.

To apply for this increase in cover, you need to:

- submit this application to us within 90 days of the life event occurring or within 30 days of the date of distribution of your annual member statement issued by Bendigo SmartStart Super (the Plan) following the life event; or 60 days from the effective date of your salary increase; and
- provide us with satisfactory evidence of the occurrence of the life event within the required time frame as outlined above. Refer to Step 5 of this form for the required evidence.

You **are not** eligible to apply for a Life Events Cover increase if:

- you are age 60 or above; or
- you are engaged in a *Hazardous Occupation*; or
- you are not eligible according to Step 4 of this form.

Bendigo SmartStart Super's insurer is TAL Life Limited ABN 70 050 109 450 AFSL 237848 (TAL). Any increase in cover does not commence until you receive confirmation in writing that your application to increase cover has been accepted by TAL.

Your duty to take reasonable care

When you apply for insurance, you are treated as if you are applying for cover under an individual consumer insurance contract. A person who applies for cover under a consumer insurance contract has a legal duty to take reasonable care not to make a misrepresentation to the Insurer before the contract of insurance is entered into.

A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

You do not need to tell the insurer anything that:

- reduces the risk they insure you for; or
- is common knowledge; or
- they know or should know as an insurer; or
- they waive your duty to tell them about.

If you do not meet your duty:

If you do not meet your legal duty, this can have serious impacts on your insurance. Under the Insurance Contracts Act 1984 (Cth) there are a number of different remedies that may be available to the Insurer. They are intended to put the Insurer in the position it would have been in if your duty had been met. For example, the Insurer may:

- avoid the cover (treat it as if it never existed);
- vary the amount of the cover; or
- vary the terms of the cover.

Whether the Insurer can exercise one of these remedies depends on a number of factors, including:

- whether reasonable care was taken not to make a misrepresentation. This depends on all of the relevant circumstances;
- what the Insurer would have done if your duty had been met – for example, whether it would have offered cover, and if so, on what terms;
- whether the misrepresentation was fraudulent; and
- in some cases, how long it has been since the cover started.

Before any of these remedies are exercised, the Insurer will explain the reasons for its decision, how to respond and provide further information, and what else you can do if you disagree.

Guidance for answering the questions in this form

You are responsible for the information provided to the Insurer. When answering questions, please:

- Think carefully about each question before you answer. If you are unsure of the meaning of any question, please ask us before you respond.
- Answer every question.
- Answer truthfully, accurately and completely. If you are unsure about whether you should include information, please include it.
- Review your application carefully before it is submitted. If someone else helped prepare your application (for example, your adviser), please check every answer (and if necessary, make any corrections) before the application is submitted.

Please note that there may be circumstances where the Insurer later investigates whether the information given to it was true. For example, it may do this when a claim is made.

Changes before your cover starts

Before your cover starts, the Insurer may ask you whether the information that has been given as part of your application for insurance remains accurate or whether there has been a change to any of your circumstances. As any changes might require further assessment or investigation, it could save time if you let us or the Insurer know about any changes when they happen.

If you need help

It's important that you understand your obligations and the questions that are being asked. Please contact us for help if you have difficulty understanding the process of obtaining insurance or answering any questions.

Please also let us know if you're having difficulty due to a disability, understanding English or for any other reason - we're here to help and can provide additional support.
