This supplementary product disclosure statement ("SPDS") is supplemental to the product disclosure statement dated 11 October 2011 in respect of BetaShares S&P/ASX 200 Resources Sector ETF and BetaShares S&P/ASX 200 Financials Sector ETF ("PDS"). The PDS and this SPDS should be read together.

A copy of this SPDS has been lodged with the Australian Securities and Investments Commission (ASIC) on 7 August 2013. Neither ASIC nor ASX Limited takes any responsibility for the contents of this SPDS.

Terms defined in the PDS have the same meanings when used in this SPDS.

The purpose of this SPDS is to update the PDS as follows:

1. NEW ZEALAND INVESTORS

This SPDS inserts certain important information in the PDS for New Zealand investors, as required by New Zealand law. The inclusion of this information, together with compliance with certain other requirements, will enable the Funds' Units to be offered by the Responsible Entity in New Zealand under the mutual recognition scheme between Australia and New Zealand.

The following is inserted at the end of the "IMPORTANT INFORMATION" section on the first page of the PDS:

"WARNING STATEMENT FOR NEW ZEALAND INVESTORS

- This offer to New Zealand investors is a regulated offer made under Australian and New Zealand law. In Australia, this is Chapter 8 of the Corporations Act 2001 and Regulations. In New Zealand, this is the Securities Act (BetaShares Capital Limited) Exemption Notice 2012.
- This offer and the content of the offer document are principally governed by Australian rather than New Zealand law. In the main, the Corporations Act 2001 and Regulations (Australia) set out how the offer must be made.
- There are differences in how securities are regulated under Australian law. For example, the disclosure of fees for collective investment schemes is different under the Australian regime.
- The rights, remedies, and compensation arrangements available to New Zealand investors in Australian securities may differ from the rights, remedies, and compensation arrangements for New Zealand securities.
- Both the Australian and New Zealand securities regulators have enforcement responsibilities in relation to this offer. If you need to make a complaint about this offer, please contact the Financial Markets Authority, Wellington, New Zealand. The Australian and New Zealand regulators will work together to settle your complaint.
- The taxation treatment of Australian securities is not the same as for New Zealand securities.
- If you are uncertain about whether this investment is appropriate for you, you should seek the advice of an appropriately qualified financial adviser.
- The offer may involve a currency exchange risk. The currency for the securities is not New Zealand dollars. The value of the securities will go up or down according to changes in the exchange rate between that currency and New Zealand dollars. These changes may be significant.
- If you expect the securities to pay any amounts in a currency that is not New Zealand dollars, you may incur significant fees in having the funds credited to a bank account in New Zealand in New Zealand dollars.

- If the securities are able to be traded on a securities market and you wish to trade the securities through that market, you will have to make arrangements for a participant in that market to sell the securities on your behalf. If the securities market does not operate in New Zealand, the way in which the market operates, the regulation of participants in that market, and the information available to you about the securities and trading may differ from securities markets that operate in New Zealand.
- The dispute resolution process described in this offer document is only available in Australia and is not available in New Zealand.

It is a term of the offer of Units in New Zealand that the requirements set out in regulations 13(1) to (3) of New Zealand's Securities (Mutual Recognition of Securities Offerings-Australia) Regulations 2008 are complied with by BetaShares (as if they applied), except to the extent modified by paragraph 6(6) of the Securities Act (BetaShares Capital Limited) Exemption Notice 2012."

2. ASIC RELIEF REGARDING PERIODIC STATEMENTS

The following information is inserted in the PDS in section 6.4 "ASIC RELIEF" at the end of that section:

"Periodic Statements Relief

ASIC has granted relief under section 1020F(1) of the Corporations Act from 30 October 2012 so that the Responsible Entity does not have to provide periodic statements to Unitholders of a Fund under section 1017D(1) of the Corporations Act for each reporting period ending on or before 1 March 2013. For subsequent reporting periods ending before 1 January 2014, ASIC has granted relief so that periodic statements may disclose balances, transactions and other amounts based on either the net asset value per Unit or the last market price for Units on either the relevant transaction date or the date of settlement of the transaction."
