- **Diverse role - covering all aspects of Marketing**
- **Dynamic company and team culture**

BetaShares is seeking a self-motivated Marketing Coordinator or Marketing Executive to join their dynamic team.

Take the next step in your career with a position that will expose you to a wide variety of marketing campaigns and related projects with a focus on digital marketing, content development, presentations and creative services.

The Company

BetaShares is one of Australia's leading managers of Exchange Traded Funds ("ETFs") and related products, with a reputation for innovation and "market firsts". ETFs have been one of the fastest growing categories of investment products globally and in Australia over the last decade and the market is set to continue growing strongly in the coming years.

The Role

This position will provide you with the opportunity to work autonomously while still offering you the exposure to learn from an experienced marketing team.

This role will suit a creative individual who enjoys all aspects of marketing with a willingness to learn and broaden their experience.

Responsibilities:

- Work with BetaShares marketing team to develop and deliver messaging and external marketing materials
- Support the delivery of integrated marketing communications campaigns that target different audiences with relevant content
- Develop and manage the production of email campaigns
- Work with the BetaShares Sales team to develop and complete high-quality presentations for external events and client meetings
- Organise and oversee the production of Fund collateral and investor information
- Collaborate with team members to develop content for the website, emails, social media and other digital channels

The successful candidate will possess the following:

- Strong written and verbal communication skills with strong attention to detail
- Familiarity with Google Marketing Platform, or other web analytics systems
- Strong organisational and time-management abilities
- Relevant degree and minimum 3 years' experience in a marketing role

The following experience is desired, but not essential:

- Proficiency with the Adobe Creative Suite, including Photoshop, InDesign, Illustrator
- Knowledge of funds management, financial services and/or investment products
- Experience with marketing automation platforms
- Exposure to WordPress CMS
