

# Access global sustainability leaders in one ASX trade

ETHI provides exposure to a diversified portfolio of sustainable, ethical companies from a broad range of global locations.

## A 'TRUE TO LABEL' ETHICAL SOLUTION

- ETHI is the first ASX traded global equities ETF available that combines positive climate leadership screens with a broad set of ESG criteria, offering investors a true to label ethical investment solution.

## INDUSTRY CERTIFIED

- ETHI has been certified by Australia's leading organisation of responsible investors, the Responsible Investment Association Australasia (RIAA).

## TRANSPARENT

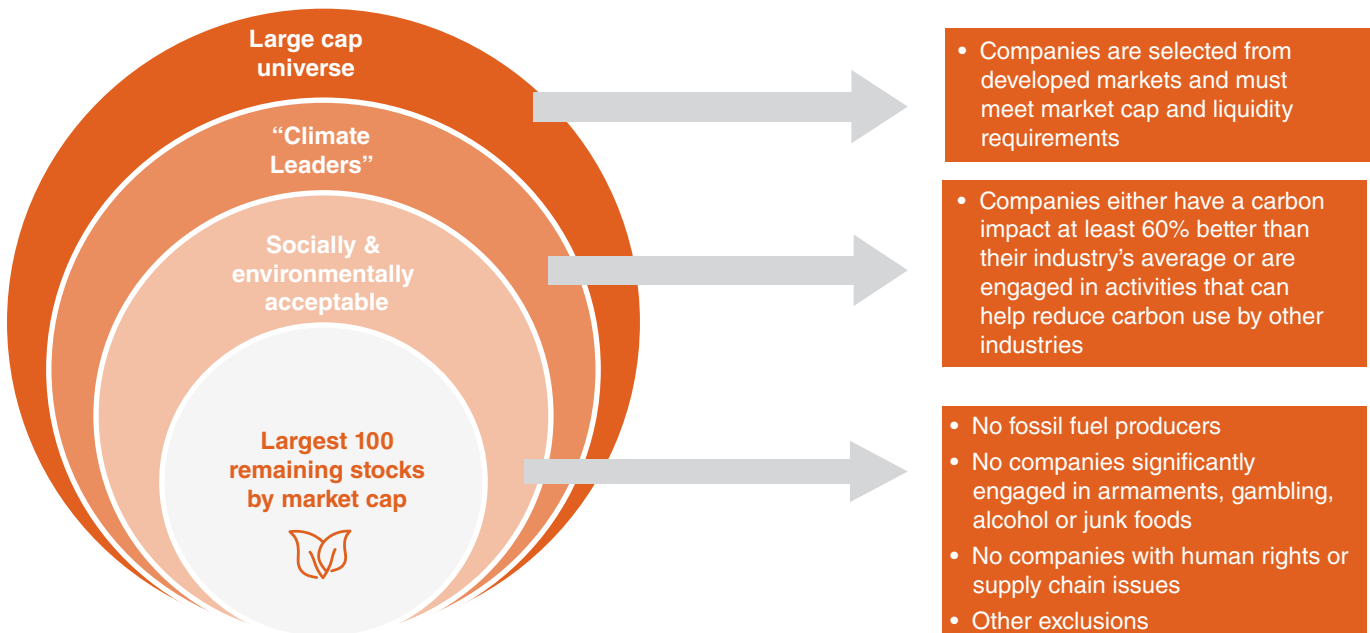

- ETHI portfolio holdings are available on the BetaShares website, updated daily.

## LOW COST

- ETHI tracks the performance of an index, so there are no 'active manager' fees.

## The screening process for ETHI

Can be bought and sold like any share using the ASX code: ETHI

Investment risks include market risk, international investment risk, non-traditional index methodology risk and foreign exchange risk. Refer to PDS.

BetaShares Capital Ltd (ACN 139 566 868 AFS Licence 341181) is the issuer. Read the PDS at [www.betashares.com.au](http://www.betashares.com.au) and consider with your financial adviser whether the product is appropriate for your circumstances. The value of the units may go down as well as up.

ETHI has been certified by the RIAA according to the strict operational and disclosure practices required under the Responsible Investment Certification Program. See [www.responsibleinvestment.org](http://www.responsibleinvestment.org) for details. The Responsible Investment Certification Program does not constitute financial product advice. Neither the Certification Symbol nor RIAA recommends to any person that any financial product is a suitable investment or that returns are guaranteed. Appropriate professional advice should be sought prior to making an investment decision. RIAA does not hold an Australian Financial Services Licence.
