Responsible Entity

The Responsible Entity of the Funds is Betashares Capital Ltd (ABN 78 139 566 868). The Responsible Entity's registered office and principal place of business is Level 11, 50 Margaret Street, Sydney, NSW 2000.

Principal activities

The principal activity of each Fund is to invest in accordance with the investment objective and guidelines as set out in the Fund's current Product Disclosure Statement and its Constitution.

The Funds did not have any employees during the half-year.

There were no significant changes in the nature of the Funds' activities during the half-year.

Directors

The following persons held office as directors of Betashares Capital Ltd during the half-year or since the end of the half-year and up to the date of this report:

Mr Alex Vynokur (appointed 21 September 2009) Mr Jason Gellert (appointed 5 March 2021) Mr Edward Sippel (appointed 5 March 2021)

Directors' report (continued)

Review and results of operations

During the half-year, the Funds continued to invest in accordance with target asset allocations as set out in their governing documents and in accordance with the provisions of the Funds' Constitutions.

The results of operations of the Funds are disclosed in the condensed interim statements of comprehensive income. The income distributions payable by each of the Funds are disclosed in the condensed interim statements of financial position. The income distributions paid and payable by each of the Funds are disclosed in Note 4 to the condensed interim financial statements.

Significant changes in state of affairs

In the opinion of the directors, there were no other significant changes in the state of affairs of the Funds that occurred during the financial half-year.

Matters subsequent to the end of the financial half-year

Since the end of the reporting period the net asset value of the below Funds has changed by more than 10% due to changes in the fair value of the investments held. These movements result from implementation of the investment strategy as set out in the relevant Funds' Product Disclosure Statement.

Net asset value changed by:
(12.37)%
11.07%
14.06%
11.13%
18.96%

No matter or circumstance has arisen since 31 December 2023 that has significantly affected, or may significantly affect:

- (i) the operations of the Funds in future financial periods; or
- (ii) the results of those operations in future financial periods; or
- (iii) the state of affairs of the Funds in future financial periods.

Likely developments and expected results of operations

The results of the Funds' operations will be affected by a number of factors, including the performance of investment markets in which the Funds invest. Investment performance is not guaranteed and future returns may differ from past returns. As investment conditions change over time, past returns should not be used to predict future returns.

Further information on likely developments in the operation of the Funds and the expected results of those operations have not been included in this report because the Responsible Entity believes it would be likely to result in unreasonable prejudice to the Funds.

Booklet 5B Directors' report For the half-year ended 31 December 2023 (continued)

Directors' report (continued)

Rounding of amounts to the nearest thousand dollars

The Funds are entities of the kind referred to in ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191 and in accordance with that instrument, amounts in the condensed interim financial report and directors' report have been rounded off to the nearest thousand dollars, except for Betashares NASDAQ 100 Yield Maximiser Fund (managed fund).

Compensation (ASIC Regulatory Guide 94 Unit pricing: Guide to good practice)

The Responsible Entity may apply a \$20 minimum to compensation amounts in respect of any unit pricing errors for exited investors.

Auditor's independence declaration

A copy of the Auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out on page 5.

This report is made in accordance with a resolution of the directors.

1 General information

These condensed interim financial statements cover the following managed investment funds (the "Funds"). The Funds are registered managed investment schemes under the *Corporations Act* 2001. The Responsible Entity cannot issue or redeem any units from the 80th anniversary of the day before the day the Funds commenced if that issue or redemption would cause a contravention of the rule against perpetuities or any other rule of law or equity. The Funds may be terminated in accordance with the provisions of their Constitutions. The Funds are domiciled in Australia.

The Responsible Entity of the Funds is Betashares Capital Ltd (the "Responsible Entity"). The Responsible Entity's registered office is Level 11, 50 Margaret Street, Sydney, NSW 2000.

The condensed interim financial statements were authorised for issue by the directors of the Responsible Entity on 8 March 2024. The directors of the Responsible Entity have the power to amend and reissue the condensed interim financial statements.

2 Summary of material accounting policies

The principal accounting policies applied in the preparation of these condensed interim financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

(a) Basis of preparation

These general purpose condensed interim financial statements have been prepared in accordance with Australian Accounting Standards, AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*. The Funds are for-profit unit trusts for the purpose of preparing the condensed interim financial statements.

These condensed interim financial statements do not include all the notes of the type normally included in annual financial statements. The financial report of the Funds complies with International Financial Reporting Standards adopted by the International Accounting Standards Board. Accordingly, this report is to be read in conjunction with the annual report for the year ended 30 June 2023 and any continuous disclosure requirements of the *Corporations Act 2001*.

The Funds operated solely in one segment which is the business of investment management within Australia.

The condensed interim financial statements are prepared on the basis of fair value measurement of assets and liabilities except where otherwise stated.

2 Summary of material accounting policies (continued)

(a) Basis of preparation (continued)

The condensed interim statements of financial position are presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and are not distinguished between current and non-current. All balances are expected to be recovered or settled within twelve months, except for investments in financial assets and liabilities at fair value through profit or loss and net assets attributable to unitholders.

Use of estimates and judgement

Management make estimates and assumptions that affect the reported amounts in the condensed inteirm financial statements. These estimates and assumptions are continually evaluated and based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Actual results may differ from these estimates.

For the majority of the Funds' financial instruments, quoted market prices are readily available. However, certain financial instruments are fair valued using valuation techniques. Where valuation techniques (for example, pricing models) are used to determine fair values, they are validated and regularly reviewed by experienced personnel of the Responsible Entity, independent of the area that created them.

Models use observable data, to the extent practicable. However, areas such as credit risk (both own and counterparty), volatilities and correlations require management to make estimates. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

For certain other financial instruments, including amounts due from/to brokers and payables, the carrying amounts approximate fair value due to the short-term nature of these financial instruments.

Functional currency and presentation

The condensed interim financial statements are presented in Australian dollars, which is the funds' functional currency.

(b) Australian accounting standards and interpretations

The Funds have applied AASB 2021-2 Amendments to Australian Accounting Standards - Disclosure of Accounting policies and Definition of Accounting Estimates, effective from January 2023, for the first time in the current financial period. There are no other new accounting standards, interpretations or amendments to existing standards that are effective for the half-year beginning 1 July 2023 that had a material impact on the Funds.

(c) Rounding of amounts

The Funds are an entity of the kind referred to in ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191, relating to the "rounding off" of amounts in the financial statements. Amounts in the financial statements have been rounded off to the nearest thousand dollars, except for Betashares NASDAQ 100 Yield Maximiser Fund (managed fund).

Global

3 Net assets attributable to unitholders

Units are normally redeemable by unitholders being Authorised Participants at the unitholders' option, however, applications and redemptions may be suspended by the Responsible Entity if it is in the best interests of the unitholders. The units can be put back to the Funds at any time for cash based on the redemption price, which is equal to a proportionate share of the Funds' net asset value attributable to the unitholders.

Under AASB 132 Financial Instruments: Presentation, puttable financial instruments meet the definition of a financial liability to be classified as equity where certain strict criteria are met. The Funds shall classify a financial instrument as an equity instrument from the date when the instrument has all the features and meets the conditions.

Capital risk management

The Funds consider their net assets attributable to unitholders as equity. The amount of net assets attributable to unitholders can change significantly on a daily basis as the Funds are subject to daily applications and redemptions at the discretion of eligible unitholders.

Under the terms of the Funds' Constitutions, the Responsible Entity has the discretion to reject an application for units and to defer or adjust a redemption of units if the exercise of such discretion is in the best interests of unitholders.

4 Distributions to unitholders

Distributions are payable as set out in the Funds' Product Disclosure Statement and/or Funds' Constitution. Such distributions are recognised as payable when they are determined by the Responsible Entity.

The distribution information shown above refers to distributions paid by the relevant Fund for the period. Under the AMIT tax rules, a Fund may distribute cash that is different to the taxable income attributed by the Fund to unitholders.

All Funds are half-year distribution funds, and NASDAQ 100 Yield Maximiser Fund and S&P500 Yield Maximiser Fund are quarterly distribution funds. Europe ETF and Managed Risk Global Share Fund had nil distributions for the half-year ended 31 December 2023.

During the half-year, some distributions were satisfied by the issue of units (reinvestment). See Note 3.

An overview of the fair value measurements relating to financial instruments at fair value through profit or loss is included in Note 6 to the financial statements.

7 Fair value measurements

AASB 13 requires disclosure of fair value measurements by level of the following fair value measurement hierarchy:

- Quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1);
- Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (Level 2); and
- Inputs for the asset or liability that are not based on observable market data (unobservable inputs) (Level 3).

Fair value estimation

The carrying amounts of the Funds' assets and liabilities at the end of each reporting period approximate their fair values.

Financial assets and liabilities at fair value through profit or loss are measured initially at fair value excluding any transaction costs that are directly attributable to the acquisition or issue of the financial asset or financial liability. Transaction costs on financial assets and financial liabilities at fair value through profit or loss are expensed immediately. Subsequent to initial recognition, all instruments at fair value through profit or loss are measured at fair value with changes in their fair value recognised in condensed interim statements of comprehensive income.

(i) Fair value in an active market (Level 1)

The fair value of financial assets and liabilities traded in active markets is based on their quoted market prices at the end of the reporting period without any deduction for estimated future selling costs.

The Funds value their investments in accordance with the accounting policies set out in Note 2. For the majority of their investments, the Funds rely on information provided by independent pricing services for the valuation of their investments.

The quoted market price used for financial assets and liabilities is the last traded price. Where the last traded price does not fall within the bid-ask spread, an assessment is performed by management to determine the appropriate valuation price to use that is most representative of fair value.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

(ii) Fair value in an inactive or unquoted market (Level 2 and Level 3)

The fair value of financial assets and liabilities that are not traded in an active market is determined using valuation techniques. These include the use of recent arm's length market transactions, reference to the current fair value of a substantially similar other instrument, discounted cash flow techniques, option pricing models or any other valuation technique that provides a reliable estimate of prices obtained in actual market transactions.

Where discounted cash flow techniques are used, estimated future cash flows are based on management's best estimates and the discount rate used is a market rate at the end of the reporting period applicable for an instrument with similar terms and conditions.

Fair value estimation (continued)

(ii) Fair value in an inactive or unquoted market (Level 2 and Level 3) (continued)

For other pricing models, inputs are based on market data at the end of the reporting period. Fair values for unquoted equity investments are estimated, if possible, using applicable price/earnings ratios for similar listed companies adjusted to reflect the specific circumstances of the issuer.

The fair value of financial liabilities for disclosure purposes is estimated by discounting the future contractual cash flows at the current market interest rate that is available to the Funds for similar financial instruments.

Index futures, index options and foreign currency contracts are measured by the quoted market prices, or binding dealer price quotations on the exchange where they are listed or held.

(iv) Transfers between levels

There were no transfers between levels during the half-year ended 31 December 2023 and year ended 30 June 2023.

Fair value estimation (continued)

(v) Movement in level 3 instruments

There were no investments classified as Level 3 within the Fund as at 31 December 2023 and 30 June 2023.

(vi) Fair value of financial instruments not carried at fair value

The carrying value of receivables and payables are assumed to approximate their fair values.

The carrying value of the net assets attributable to unitholders differs from its fair value (deemed to be the redemption price for individual units) due to differences in valuation inputs. The difference is not material in the current half-year.

8 Events occurring after the reporting period

Since the end of the reporting period the net asset value of the below Funds has changed by more than 10% due to changes in the fair value of the investments held. These movements result from implementation of the investment strategy as set out in the relevant Funds' Product Disclosure Statement.

Fund	Net asset value changed by:
Global Gold Miners ETF - Currency Hedged	(12.37)%
Managed Risk Global Share Fund (managed fund)	11.07%

Conclusion

We have reviewed the accompanying *Condensed Interim Financial Reports* of the Schemes.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the Condensed Interim Financial Reports of the Schemes do not comply with the *Corporations Act 2001*, including:

- giving a true and fair view of the Schemes financial position as at 31 December 2023 and of their performance for the half-year ended on that date; and
- complying with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

The **Condensed Interim Financial Reports** comprise:

- Condensed interim statement of financial position as at 31 December 2023;
- Condensed interim statement of comprehensive income, Condensed interim statement of changes in equity and Condensed interim statement of cash flows for the half-year ended on that date;
- Notes 1 to 8 including selected explanatory notes; and
- The Directors' Declaration.

The *Interim Period* is the 6 months ended on 31 December 2023.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review* of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report.

We are independent of the Schemes in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the *Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with these requirements.

Responsibilities of the Directors for the Condensed Interim Financial Reports

The Directors of Betashares Capital Limited (the Responsible Entity) are responsible for:

- the preparation of the Condensed Interim Financial Reports that give a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001; and
- such internal control as the Directors determine is necessary to enable the preparation of the Condensed Interim Financial Reports that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Review of the Condensed Interim Financial Reports

Our responsibility is to express a conclusion on the Condensed Interim Financial Reports based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the Condensed Interim Financial Reports do not comply with the *Corporations Act 2001* including giving a true and fair view of the Schemes' financial position as at 31 December 2023 and its performance for the half-year ended on that date, and complying with *Australian Accounting Standard AASB 134 Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a Condensed Interim Period Financial Reports consist of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with *Australian Auditing Standards* and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
